

## *Saw Operator*

**Job description (Saw Operator)** – The Saw Operator is responsible for safely and accurately operating industrial saw equipment to cut raw materials to specified dimensions in support of production and fabrication operations. This role plays a key part in ensuring material readiness, quality, and efficiency within the manufacturing process.

### **Primary Job Duties:**

- Operate band saws, cold saws, or similar cutting equipment to cut metal or other materials to required specifications.
- Read and interpret work orders, blueprints, cut lists, and material specifications.
- Measure, mark, and inspect materials to ensure cuts meet dimensional and quality standards.
- Load and unload raw materials, staging cut materials for downstream production processes.
- Perform basic machine setup, adjustments, and routine maintenance (blade changes, lubrication, cleaning).
- Identify material defects, equipment issues, or safety concerns and report them to supervision.
- Accurately track material usage and completed work in ERP or production tracking systems.
- Work closely with fabrication, machining, and welding teams to meet production schedules.
- Work independently and within a team environment.
- Arrange work area and strategize layout accordingly to insure an expedited saw process.
- Must be able to effectively communicate and follow detailed instructions.
- Follow all safety rules and maintain a clean working environment.
- Follow all company rules per employee handbook.

### **Requirements:**

- Motivated self-starter who has the ability to work independently and within a team environment.
- Prior conveyor and/or machine assembly experience is a plus
- Ability/willingness to drive a forklift
- Strong mechanical aptitude.
- Ability to stand, walk, bend, stoop, reach, push, pull and lift up to 80 lbs.
- Motivated by a results/dead-line oriented environment.
- Dependable and able to work overtime as required.
- Electrical and/or pneumatic knowledge a plus.
- Must have dependable transportation.
- Strong verbal and written communication skills.
- High School Diploma or GED.

### **Benefits offered are as follows:**

- Full time position 6:00am – 2:30pm
- Full insurance package, Medical, Dental, Vision, Supplemental
- 8 paid company holidays
- Retirement/401K
